WELCOME

Dear Media Member

Thank you for your interest in Crown's 2019 Aussie Millions Poker Championship.

Outside of the World Series of Poker, the Aussie Millions is regarded by many as the best poker series in the world, as it is more than just an international poker tournament. With an expanding range of non-gaming related events including the Australian Open Tennis Championship, Chinese New Year celebrations, exclusive parties, luxury golf days, premium winery trips, shopping tours and much more, giving participants even more reasons to visit Australia's most liveable city in January.

This year, Crown will continue to provide daily email updates. These emails will provide information on the winners of each event, final payouts and storylines that develop. So the good news is, even if you can't make it to Melbourne, or if you contact us to be added to our media email distribution list, we will ensure you get the daily email updates.

Please ensure you have read and understood the Crown Management Guidelines.

Accreditation Access Passes will be available for collection from 5:30pm on Tuesday 15 January 2019. To arrange collection please must call Catherine Wilcox +61 434 219 041 prior to your arrival.

Media Access is 'restricted' to certain areas of the Crown Poker Room (this is determined by media status and work priority, and is also affected by security and Occupational Health & Safety procedures).

Please be aware Crown does not provide extension cords or power boards of any description. Materials of this type bought onto Crown property must be professionally tagged and tested'. www.jimstandtag.com.au
