In 2012, Crown Melbourne re-launched their premium buffet restaurant, Conservatory. Lead by Conservatory's Chef de Cuisine, Matt Coates, The Conservatory's modern style and décor creates a stunning visual element for an engaging dining experience as Crown's chefs bring the excitement and theatre of the kitchen to the culinary stations.

Conservatory is drenched in natural lighting with double-height windows overlooking the Yarra River. Accents of greens, creams and whites are reflected throughout the dining space with white marble floors, bespoke chandeliers and distinctive custom-made carpets reminiscent of the 1920's art-deco era, and are complete with dramatic reflective surfaces and floor to ceiling mirrors at either end of the restaurant.
