# *Opulent and Prestigious* PALLADIUM

The Palladium at Crown is Australia's premier ballroom. It is a spectacular venue for your events and special occasions with magnificent custom-designed carpets, seven metre ceilings, plush wall panelling and superbly appointed fittings.

It's a unique level of opulence that flows throughout this pillarless ballroom — the largest hotel ballroom in Australia. It's also one of Australia's most technologically advanced venues, with state-of-the-art sound systems, LED lighting and broadcast facilities, including a fully automated projection system with six retractable digital screens.

The Palladium at Crown can also be reconfigured to suit almost any style and type of function, whether it's a gala dinner, product launch, conference, trade show or spectacular wedding.

There is easy car and truck access via a back of house industrial lift to ensure seamless delivery of goods and specialised equipment.

The Palladium at Crown has been the venue of choice for some of Australia's most prestigious events.

## **ENCORE EVENT TECHNOLOGIES**

Encore Event Technologies is a leading audio visual provider and Crown Melbourne's in house audio visual partner. Encore Event Technologies will assist in the delivery of technical production, lighting, event design and styling ensuring a stress free, seamless and highly successful event or meeting.
