A starting bank of chips will be placed on the table in front of each designated playing area.
- 3.9.3 An entrant's bank of chips must remain on the table in full view of all participants, with the highest denomination chip the most prominent, until each session is completed and the winner(s) is determined.
- 3.9.4 A bank of chips will not be supplemented or removed from the table by an entrant during the conduct of tournament play, unless in the form of a re-buy or add-on.
- 3.9.5 Where an entrant is re-seated in accordance with clause 4.3, they must transfer their bank of chips so that the chips remain in clear view of the Dealer (or above) and the Tournament/Satellite entrants. Failure to do so may result in the chips being forfeited.

### Terms & Conditions

#### 3.11 Time to Act:

3.11.1 Entrants may request to 'put the clock' on another entrant. Subject to the request being reasonable, the Tournament Director will call "time" and the entrant in question will have one (1) minute to act. If action has not been taken by the time one (1) minute has elapsed, there will be a ten (10) second countdown. If an entrant has not acted on their hand by the time the countdown has elapsed, the hand will be dead. All wagers made by that entrant will remain in the pot(s). The Tournament Director may also call "time" on an entrant, if deemed necessary.

3.11.2 If the Tournament Director determines that an entrant is deliberately being slow to act on more than one (1) occasion in the same Tournament/Satellite, that entrant may be given a maximum of ten (10) seconds to act for all subsequent hands.

#### 3.12 Betting Limits:

3.12.1 The betting limits, together with the timing of increases in blinds and/or antes, will be determined by Crown and announced to all entrants prior to the commencement of the Tournament/Satellite.

3.12.2 In Limit games; a single oversize chip will constitute a call if there is no announcement or indication of intent to raise.

3.12.3 In No Limit or Pot Ratio games; a single oversize chip without an announcement or indication of intent to raise will:

(a) In the first betting round; constitute a call; and

(b) In subsequent betting rounds; if it is the first bet of that round, it will constitute the size of the oversize chip bet or the maximum bet permitted within the betting limits. If it is not the first bet of the round, it will constitute a call.

3.12.4 In all games; if an entrant makes a raise of 50% or more of the previous bet without an announcement or indication of intent, they will be required to make the raise up to the minimum raise permitted. In all games; unless going 'all in', if an entrant makes a raise of less than 50% of the previous bet or raise without an announcement or indication of intent, it will be taken as a call.

3.12.5 Where an entrant bets unannounced with two (2) chips of the same denomination totalling more than the amount to call and less than the minimum amount to raise, it is only a call. In this instance, clause 3.9.4 does not apply.

3.12.6 In all games; if an entrant makes a bet of less than the amount required to call, they will be required to make up the difference or fold and surrender the initial bet, which then forms part of the pot.

## 2020 Aussie Millions Poker Championship

### Terms & Conditions

- 3.12.7 In No Limit or Pot Ratio games; if an entrant states the intent to raise and bets with an oversize chip, the raise will be the maximum amount allowable up to the size of that chip.
- 3.12.8 In Limit games; there will be a limit of three (3) raises for each betting round even when two (2) entrants remain in a hand. Once the Tournament/Satellite, however, is down to the last two (2) entrants, there is no limit to the number of raises.
- 3.12.9 In No Limit or Pot Ratio games; when raising, an entrant must either bet the amount of the raise in one 'clean' motion or state the raise amount. By stating the intent to raise, an entrant protects their right to raise, but the raise must still be completed as per the previous sentence guidelines.
- 3.12.10 Verbal declarations in turn are binding. Verbal declarations or action out of turn may also be binding:
- (a) If an entrant bets, raises or calls out of turn, the bet stands
  - (b) If an entrant who should have acted prior to the out of turn entrant chooses to bet more than the out of turn bet, the entrant who acted out of turn can either make up the difference to call, or take back his bet and fold, or re-raise.
  - (c) An entrant who checks out of turn forfeits all rights to bet or raise.
- 3.12.11 Only in Pot Limit and Half Pot games may an entrant request the Dealer to inform him/her of the pot size.
- 3.13 General:
- 3.13.1 At the Tournament Director's discretion, any Tournament/Satellite can have 'hand-for-hand' play introduced and removed where deemed appropriate. When dealing 'hand-for-hand':
- (a) No additional time will be added back onto the clock and the existing blind level will be counted down as normal;
  - (b) At the end of the following blind level, the clock will be paused and remain paused until 'hand-for-hand' is no longer required; and
  - (c) In any event, the blinds will only ever increase once.
- 3.13.2 At the Tournament Director's discretion, Dealers may deal 'round-for-round' when the number of entrants remaining exceeds places paid by two (2).
- 3.13.3 All cards will be turned face-up once an entrant is 'all-in' and all action is complete.

### Terms & Conditions

- 3.13.4 In the event of a split pot; where there is an odd chip, the odd chip will be broken down to the lowest denomination chip in play on the table at that time. If there are two (2) or more high or low hands of the same value:

  - (b) In Stud games; the remaining amount will go to the highest card by suit.
  - (c) In Hi-Lo split games; the pot will be split as evenly as possible.

The chip race always starts in the No 1 Seat. An entrant cannot be 'raced-out' of a Tournament/Satellite. In the event that an entrant loses the 'race off' and has no chips remaining, they will be given one chip of the smallest denomination in play, so that they can continue to play.
- 3.13.7 Subject to clause 3.13.8, an entrant who wants to make a phone call must step away from the table. Should an entrant step away from the table during a hand, that hand is dead.
- (a) Entrants who wish to use an iPhone (or similar device) at the table may be required to use that device in 'Airplane Mode', whereby the device is switched on, but is incapable of receiving or making calls or text messages.
  - (b) Mobile phones must not rest on the felt of the table under any circumstances.
- 3.13.8 Unless being re-seated in accordance with clause 4.3, an entrant must be at the table by the time the Dealer has completed the initial deal, or their hand is dead.
- 3.13.9 There will be no foreign chips allowed on the table except for a maximum of one (1) card protector per entrant.
- 3.13.10 When new betting limits are announced, the limits apply from the next hand. A hand begins when the Dealer:
- (a) 'Riffles' for the first time for a manual shuffle; or
  - (b) Presses the green button on an automated shuffle machine.

- 4.2 As entrants are eliminated from the Tournament/Satellite, the number of tables may be reduced at the discretion of the Tournament Director.
- 4.3 To maintain balanced tables throughout the duration of a Tournament/Satellite, entrants may be re-seated at the discretion of the Tournament Director. Unless deemed otherwise by the Tournament Director, the following procedure will be applied:
- 4.3.1 A difference of two (2) entrants between Tournament/Satellite tables is acceptable. During the final stages of a particular Tournament/Satellite a difference of two (2) entrants will be balanced as soon as is practicable.
- 4.3.2 On any table which is three (3) or more entrants short, creating a difference of three (3), play will be suspended until that table has been balanced.
- 4.3.3 For all games except Stud; tables will be balanced by moving an entrant in the corresponding seat in relation to the second blind from the table to be reduced, to the table that requires balancing.
- 4.3.4 In Stud games; entrants will be high carded on the table to be reduced and the entrant(s) with the highest card will move to the lowest empty seat number on the table requiring balancing.

- 4.3.6 Where an entrant is re-seated, they will assume all rights and responsibilities of their new position. An entrant moving to a new table is eligible to be dealt a hand in any position, except if they are seated in between the button and the small blind.
