# RIVER ROOM

As the name suggests, the River Room has wonderful views over Melbourne's famous Yarra River and city skyline and is superbly appointed with exceptional floor to ceiling windows that stretch the entire length of the room. This incredibly versatile venue can be reconfigured into a more intimate space or into two or three separate spaces.

The River Room has also been designed to accommodate any type of multimedia presentation, with state of the art audiovisual facilities, modern adjustable lighting and built in automated retractable digital screens.

With specialised seasonal menus and personalised service, it is the perfect space to hold your next event.

At night, the River Room transforms into one of Melbourne's most exclusive function spaces. You and your guests can truly enjoy the stylish private balcony overlooking the city skyline and Crown's signature flame towers.
