PALLADIUM AT CROWN

PALLADIUM AT CROWN

The Palladium at Crown is Australia's premier ballroom, from the moment you enter this magnificent room you'll be impressed and inspired. It is a spectacular venue for all your events and special occasions with magnificent custom-designed carpets, 7 metre ceilings, plush wall panelling and superbly appointed fittings. It's a unique level of opulence that flows throughout this pillarless ballroom – the largest in Australia. It's also one of Australia's most technologically advanced venues, with state-of-the-art sound systems, LED lighting and broadcast facilities, including a fully automated projection system with six retractable digital screens. The Palladium at Crown can also be reconfigured to suit almost any style and type of function, whether it's a gala dinner for 1,300 guests, awards night, anniversary celebration or product launch, the Palladium at Crown is designed to fulfil any function requirement. There's easy car and truck access via a back of house industrial lift to ensure seamless delivery of goods and specialised equipment. Most impressive, the Palladium at Crown is the venue of choice for some of Australia's most prestigious events, including the TV Week Logie Awards, the Australian Football League Brownlow Medal and the Allan Border Medal. Bring the same unrivalled quality and style the Palladium at Crown has to offer to your next event.
