1 DEFINITIONS

1.1 In these Rules—

‘Base Unit’ means a game controller.

‘Crown’ means Crown Melbourne Limited, a casino operator as defined in section 3 of the *Casino Control Act 1991* (Vic).

‘Dealer’ means a virtual dealer, which conducts the game.

‘Display Controller’ means a device that acts as an interface between the game controller and the display screen(s), which determines what is shown on the display screen(s).

‘Display Screen’ means the device which displays the conduct of the game and the result and may also include the value of the current jackpot amount (if applicable) and promotional messages.

‘Fully Automated Table Game’ means a table game (that is approved from time to time under section 60 of the *Casino Control Act 1991*) which comprises multi-terminal stations that access and have connectivity with one or more base units that is delivered via the use of a fully automated, animated or electronic system with no part of any mechanical or manual device remaining (excluding poker).

‘Game Controller’ means either:

- (a) A player terminal; or
- (b) A central control unit

which has the capability to run the game and may have connectivity with a display controller.

‘Jackpot System’ means the configuration of software and game hardware-

- (a) Necessary to conduct a number of jackpots at any given time; and
- (b) Approved as gaming equipment for the purposes of these Rules.

‘Monitoring System’ means the system that tracks operational functions such as cash-outs and facilitates reporting and analysis.

‘Player Terminal’ means the device featuring a touchscreen monitor which has connectivity with one or more game controllers and is —

- (a) Designed to allow a player to place wagers on a virtual table layout in accordance with these Rules; and
- (b) Approved as an item of gaming equipment.

‘Player Chip Account’ means an account established under Rule 6.

‘Runner’ means a Gaming Machines Attendant (or above) responsible for the overall conduct of the game, including without limitation: the facilitation of cash-outs and player service requests.

‘Screen’ means the touchscreen monitor of a player terminal.

‘Side Wager’ means a betting option which is an accessory to the main game and on which players may place a wager in addition to, or instead of, the main game wager. For example: Tie, Baccarat Perfect Pairs and/or jackpot.

‘Tournament’ means a competition conducted in accordance with Rule 9.

‘Tournament Director’ means the person who is responsible for the overall management of a tournament.

‘Tournament Player’ means a player in a tournament.

‘Tournament Terms and Conditions’ means the terms and conditions approved for a tournament in accordance with Rule 9.

‘VCGLR’ means the Victorian Commission for Gambling and Liquor Regulation.

‘Void’ means an invalid round of play or wager (as the context requires).

‘Wagering Period’ means the period determined under Rule 5.1.

1.2 A reference in these Rules to the game is a reference to a Fully Automated Table Game. Variations of Fully Automated Table Games may be played in accordance with these Rules.

1.3 A reference in these Rules—

- 1.3.1 To a bet; is a reference to the contingency or outcome on which a player may place a wager; and

1.3.2 To a wager; is to the money appropriated to such a bet in a particular case.

1.4 A Rule which is expressed to impose an obligation or a prohibition on player terminal must be regarded as imposing an obligation on Crown to ensure that the Player Terminal operates in the manner described.

2 EQUIPMENT

2.1 The equipment for a Fully Automated Table Game:

2.1.1 Will comprise:

- (a) A central control unit; and
- (b) Player Terminal(s); and
- (c) One (1) or more display screens.

2.1.2 May include a Display Controller.

2.2 A Fully Automated Table Game will have connectivity to a Monitoring System.

3 PLACEMENT OF WAGERS

3.1 Where a Player Terminal has connectivity to more than one Fully Automated Table Game, a player may select the table they wish to wager on for an individual round of play, by selecting the relevant table from their Player Terminal. A player may only wager on one table at a time.

3.2 The method by which a player appropriates money standing to the credit of their Player Chip Account is by touching the screen so as—

3.2.1 To make one or more chips appear to move from one part of the screen to another; or

3.2.2 To make one or more chips appear on, or disappear from, the screen with a corresponding change being made to the amount shown as standing to the credit of the player's chip account.

3.3 The player will gain control of a Player Terminal by buying-in as described in Rule 6.1 and is solely responsible for the placement of the chips appearing on the Player Terminal.

- 3.4 A person may not occupy a place at a Fully Automated Table Game without actively placing wagers on a Player Terminal, or occupy an area so that he or she restricts another player from gaining access to play that game.
- 3.5 A person must not hinder, harass, intimidate or interfere in any way with another person's playing of a Fully Automated Table Game or with any employee of Crown performing duties related to a Fully Automated Table Game.
- 3.6 Subject to Rule 8, the wager or wagers placed on a Player Terminal may only be settled in accordance with the position in which they are displayed on the Player Terminal at the time a Wagering Period expires.
- 3.7 A Player Terminal must not allow a wager to be placed, changed or withdrawn after the expiry of the Wagering Period.
- 3.8 At the time for the settlement of wagers, each open Player Terminal must—
- 3.8.1 Clear any losing wager, by causing the chips representing that wager to disappear from the screen; and
 - 3.8.2 Pay any winnings, by causing an appropriate number of chips to appear or by causing an appropriate adjustment to be made to the amount shown as standing to the credit of the Player's Chip Account.
- 3.9 Players will have the ability to set daily loss and time limits by attending a Crown Loyalty Program Desk and presenting their Loyalty Program Card.
- 3.10 Where a Fully Automated Table Game offers a jackpot component, where participation in the jackpot requires the player to place a jackpot wager, a player who places a valid wager on jackpot for a particular round of play will, once the jackpot event has occurred, qualify to participate in that jackpot.
- 3.11 Wagers may only be placed in accordance with Rule 3.

4 PERMISSIBLE WAGERS

- 4.1 In respect of the game, Crown must ensure the display of the notices and signs for which Crown is responsible under section 66 of the *Casino Control Act 1991 (Vic)*¹.
- 4.2 Each Player Terminal is a location within the casino for the purposes of section 66 of the *Casino Control Act 1991 (Vic)*.
- 4.3 If—
- 4.3.1 A player attempts to place an individual wager that is less than the minimum permissible wager for a particular bet, the Player Terminal must not recognise that wager; and
- 4.3.2 If a player attempts to place an individual wager—
- (a) In a multiple over the minimum which is not permitted; or
- (b) Which is greater than the permitted maximum wager—
- the Player Terminal must display only so many chips or such denomination of chips as is the next lowest permitted wager; and
- 4.3.3 By the end of the Wagering Period for a round of play, if a player has placed one or more wagers which are in aggregate less than the permitted aggregate wager (if any), those wagers

¹ Section 66 of the *Casino Control Act 1991 (Vic)* states:

66. Assistance to patrons

- (1) A casino operator must—

...

- (c) display prominently at each gaming table or location related to the playing of a game a sign indicating the permissible minimum and maximum wagers pertaining to the game played there.

Penalty: 25 penalty units

- (2) A casino operator must ensure that a minimum wager indicated in respect of a game at a table or location is not changed to a higher minimum unless a sign indicating the new minimum and the proposed time of change is displayed at the table or location at least 20 minutes before the time of proposed change.

Penalty: 50 penalty units.

must not be recognised by the Player Terminal for the round of play and will be automatically removed from the screen.

5 DEALING THE GAME

5.1 **With the exception of Rule 18.6 (Fully Automated Blackjack) and Rule 19.5 (Fully Automated Casino War), a Wagering Period of not less than ten (10) seconds will be determined by Crown applying to all Fully Automated Table Games.**

5.2 Each Player Terminal must clearly display a countdown of the remaining portion of the Wagering Period for the next round of play.

6 PLAYER CHIP ACCOUNTS

6.1 A person wishing to play the game must buy-in by inserting:

6.1.1 An amount of cash into the Note Acceptor and may at any time insert a further amount of cash into the Note Acceptor; or

6.1.2 A ticket into the Note Acceptor, which has been fitted with a bar code reader and may at any time insert further tickets into the Note Acceptor.

6.2 Where a player inserts cash or a ticket into a Note Acceptor, the amount of the cash or the ticket will automatically be credited to the player's chip account in respect of that Player Terminal, thereby causing chips to appear on the screen or that amount to be shown as standing to the credit of the player's chip account.

6.3 A player—

6.3.1 May leave the game at any time; and

6.3.2 Must leave the game if the Runner (or above), having reasonably formed the opinion that the player's continued presence would disrupt the game and/or compromise its integrity, directs the player to leave the game.

6.4 If a player leaves the game the full value of the player's chip account balance must be paid out.

6.4.1 To collect the balance of their chip account, the player will select [Cash-Out] from the screen.

- (a) Where they are playing at a Player Terminal and that Player Terminal is equipped with a ticket printer, a ticket will be issued for the full value of the player's chip account. The ticket may be exchanged for cash or cash equivalent at a Casino Cage. The player's account will then be closed.
 - (i) Once the ticket is printed the player is responsible for presenting the ticket for redemption.
 - (ii) If, at the time the player elects to cash-out, it is determined that a fault in the printer has resulted in a failure to print a ticket or an illegible ticket has been produced, Crown may make a manual payment to the player.
 - (iii) Crown has no liability for any lost or stolen tickets or tickets which become illegible after printing.
- (b) Where they are playing at a Player Terminal and that Player Terminal is not equipped with a ticket printer or the ticket printer malfunctions, the Runner will prepare a cash-out voucher for the full amount of the player's chip account. The cash-out voucher may be presented at the Casino Cage and redeemed for cash or cash equivalent.

7 PLAYER INFORMATION AND SERVICE REQUEST

- 7.1 Player Information Displays will be available on each Player Terminal. To view information relating to their current play session, the player may select [I] from the screen.
- 7.2 Player Activity Statements, which provide a history of a player's play on Fully Automated Table Games, will be made available on request. To obtain a copy of their Player Activity Statement, the player will attend a Crown Loyalty Program Desk and present their Loyalty Program Card.
- 7.3 A player may request service by selecting [Service] from the screen or pressing the 'Service' button located on the Player Terminal casing (where available). In either scenario, selection of [Service] will cause the Tower Light (where available) on top of the remote unit to flash.

- 7.4 To cancel a 'service request':
 - 7.4.1 Select [Service] displayed on the screen; or
 - 7.4.2 Press the 'Service' button on the Player Terminal casing (where available).

8 IRREGULARITIES

- 8.1 If a player claims that an incorrect outcome has been announced or that any part of the game system has malfunctioned, Crown must consider the claim and take whatever reasonable action is permitted by this Rule.
- 8.2 If a Player Terminal experiences a malfunction—
 - 8.2.1 Prior to the expiry of the Wagering Period, all wagers placed on the Player Terminal for the relevant round of play must be treated as void; and
 - 8.2.2 On or after the expiry of the Wagering Period, the Runner (or above) must seek to confirm what wagers were placed through the analysis of available records and cause the appropriate adjustments to be made.
- 8.3 If the Display Controller experiences a malfunction—
 - 8.3.1 Prior to the expiry of the Wagering Period, all wagers placed by all players for the relevant spin must be treated as void; and
 - 8.3.2 On or after the expiry of the Wagering Period, the Runner (or above) must seek to confirm what wagers were placed through the analysis of available records and cause the appropriate adjustments to be made.
- 8.4 If, for the purposes of Rules 8.2.2 and 8.3.2, the relevant wagers placed cannot be confirmed through the analysis of available records, those wagers must be voided.
- 8.5 If a display screen experiences a malfunction and the result of a game is neither visible nor audible to the players, as soon as the malfunction is noticed, the game will be shut down. The results of any previous rounds of play will stand.

9 FULLY AUTOMATED TABLE GAMES TOURNAMENT PLAY

- 9.1 Crown may conduct Tournaments in which all Tournament Players have the opportunity to play any variation of Fully Automated Table Game being offered with an equal chance.
- 9.2 For each Tournament conducted by Crown, Crown must:
- 9.2.1 In accordance with clause 9.4, document relevant Terms and Conditions;
 - 9.2.2 Prior to a Tournament being conducted and entries having been taken:
 - (a) Make the relevant Terms and Conditions available to patrons; and
 - (b) Advise the VCGLR on-site inspectorate of the intention to conduct the Tournament.
 - 9.2.3 Appoint a Tournament Director who must be present for the duration of the Tournament.
 - (a) The Tournament Director may, at their discretion, appoint one or more Deputies whom may act as designees of the Tournament Director.

- (c) A statement that the Tournament is conducted by the Tournament Director in accordance with the Tournament Terms and Conditions and the applicable Rules for Fully Automated Table Games and that in the event of any inconsistency, the Rules of the relevant version of Fully Automated Table Game will prevail.
- (d) A statement to the effect that the Tournament Director may conclude Tournament play at a particular gaming table prior to the completion of the scheduled number of rounds of play or the scheduled completion time:
 - (i) If the Tournament Player(s) to progress to the next round or session have been determined; or
 - (ii) If the Tournament Terms and Conditions provide for the disposition of Player Chip Account balances in cash, at the end of the round or session, if all the players at the gaming table agree.
- (e) A statement to the effect that entrants' personal information collected during the Tournament will be handled in accordance with Crown's Privacy Policy (available on request or on Crown's web site) unless otherwise provided for in these Terms and Conditions.
- (f) A statement to the effect that subject to entrants' permission, Crown reserves the right and license to use entrants' names, suburbs, photographs, images and likeness for the purpose of promoting and advertising Crown and the Crown Entertainment Complex.
- (g) A statement to the effect that the Tournament will be conducted by the Tournament Director in accordance with the Terms and Conditions and the Rules for Fully Automated Table Games;
- (h) A statement to the effect that in the event of a dispute relating to any Tournament, the decision of the Tournament Director is final.

- (i) A statement to the effect that to the maximum extent permitted by law and without affecting any rights which cannot be excluded under the *Australian Consumer Law and Fair Trading Act 2012* (Vic) and the *Competition and Consumer Act 2010* (Cth), Crown (including the Tournament Director) will not be liable for any losses whatsoever that may arise from any decision of the Tournament Director.
- (j) A statement to the effect that a casino patron who has a complaint relating to the conduct of gaming or betting in the casino by Crown is entitled to have the complaint investigated by the VCGLR, pursuant to legislative requirements and the Rules for Fully Automated Table Games.

10 JACKPOTS

- 10.1 Crown may operate one (1) or more approved Jackpot Systems with respect to Fully Automated Table Games and utilise a variety of jackpot styles, including, by way of example and not limitation, Mystery Jackpots, Stand Alone Progressive Jackpots, Linked Progressive Jackpots and Bonus Jackpots. For the purposes of this document the generic term 'jackpot' will be used for all jackpot styles.
- 10.2 Where a jackpot is offered, software required to run the jackpot will be approved as gaming equipment.
- 10.3 The following provisions apply to the operation of a Jackpot System:
 - 10.3.1 One or more particular tables may constitute a jackpot group.
 - 10.3.2 A Jackpot System must operate in respect of one or more jackpot groups.
 - 10.3.3 A jackpot group may have one or more jackpots operate in respect of it.
 - 10.3.4 A jackpot group may be added to or removed from a jackpot or transferred between one jackpot and another provided that prior to the change, a sign giving notice of the addition, removal or transfer is displayed.

- 10.3.5 A jackpot may be closed at any time provided that a sign giving notice of the closure is displayed at every table in respect of which system is operating.
- 10.3.6 Where a jackpot pool comprises player contributions and that jackpot is closed, an amount equal to the player contributions must be transferred to one or more other jackpots.
- 10.3.7 Where a jackpot pool is made up of player contributions:
- (a) Each table and/or Player Terminal in respect of which a jackpot operates must show the value of the jackpot prize amount and/or any goods or services constituting a jackpot prize; and
 - (b) The value of a jackpot may be displayed on one or more electronic promotional displays in the casino.
- 10.3.8 Where a jackpot pool is funded by Crown, the jackpot prize amount and/or any goods or services constituting a jackpot prize may be displayed on one or more electronic promotional displays in the casino.
- 10.4 As applicable to the type of jackpot in operation, Crown must ensure that the jackpot meter for a jackpot from time to time records a monetary value no less than-
- 10.4.1 The minimum jackpot value; plus
 - 10.4.2 The amount wagered at all participating Fully Automated Table Games which has incremented to the jackpot meter at the rate specified in the approved Jackpot System software.
- 10.5 A Jackpot System is operating properly if it is capable of posting contributions at the specified increment rate and registering winning jackpot events.
- 10.6 Where a jackpot is in operation at a table, if at any time it is deemed that the Jackpot System is not operating properly, the game will be shut down until such time as the problem can be rectified.
- 10.7 If, a round of play in which a jackpot prize has been won is Void, the amount of the jackpot prize awarded must be re-credited to that particular jackpot or must be transferred to one or more other jackpots.

- 10.8 Jackpot wins, may be paid to the player by:
- 10.8.1 Incrementing the player's chip account balance in accordance with Rule 3.7; or
 - 10.8.2 The issuance of a redeemable ticket or payout voucher.

11 GENERAL PROVISIONS

- 11.1 A person participating in a Fully Automated Table Game will not, with respect to that game or part thereof, use or intend to use (either alone or in concert with any other person) any device for the purpose of recording, projecting or analysing an outcome or the changing probabilities or the playing strategies to be used.
- 11.2 Where a player has contravened any provision of these Rules or of Rule 11.1 as the case may be, a TG Assistant Casino Manager (or above) may:
- 11.2.1 Declare that any wager made by the player(s) will be Void;
 - 11.2.2 Direct that the player(s) will be excluded from further participation in the game;
 - 11.2.3 Seize any monies won by that player/s while in possession of a prohibited device and retain such monies pending completion of an investigation;
 - 11.2.4 Confiscate the prohibited device; and
 - 11.2.5 Cause the person(s) in possession of the prohibited device to be detained until such time as an authorised person has attended and assumed responsibility for the situation.
- 11.3 A TG Assistant Casino Manager (or above) may invalidate the outcome of a game if any fraudulent act that affects the outcome of the game is perpetrated by any person.
- 11.4 A TG Higher Duties Dealer (or above) may invalidate the outcome of a game if the game is disrupted by civil commotion, fire, riot, brawl, robber or an Act of God.
- 11.5 Where the outcome of a game is invalidated, all wagers made by the players for that particular result will be refunded.

- 11.6 An employee of the casino will not advise a player on how to play, except to ensure compliance with these Rules.
- 11.7 No onlooker or any player wagering at any table or Player Terminal may, unless requested by a player, influence another player's decisions of play.
- 11.8 A TG Higher Duties Dealer (or above) may close a gaming table at which players are present, provided a minimum of three (3) rounds of play (spins, hands, coups) is given to the players.
- 11.9 A seated player who abstains from wagering for three (3) consecutive rounds whilst all other Player Terminals at that table are in use may be required to vacate that Player Terminal.
- 11.10 In any dispute arising from these Rules or not covered by the provisions of these Rules, the decision of the TG Area Manager (or above) will be final.
- 11.11 Complainants in all unresolved disputes will be advised of the presence of, and their right to consult, an Inspector appointed under the *Casino Control Act 1991 (Vic)*.
- 11.12 A casino patron who has a complaint relating to the conduct of gaming or betting in the casino by Crown is entitled to have the complaint investigated by the VCGLR pursuant to legislative requirements and the Rules for Fully Automated Table Games.
- 11.13 Players are not permitted to have side bets against each other.
- 11.14 A copy of these Rules are available on Crown's website. A copy will also be made available upon request.

12 FULLY AUTOMATED ROULETTE

- 12.1 Where the Fully Automated Table Game in play is Fully Automated Roulette, the approved Rules for Roulette and the Rules for Fully Automated Table Games (including these additional Rules) will apply. If there is any inconsistency between the Rules for Roulette and the Rules for Fully Automated Table Games (including these additional Rules), the Rules for Fully Automated Table Games and Fully Automated Roulette will prevail.

12.2 Equipment

12.2.1 An open Player Terminal—

(a) Must—

- (i) Contain all the elements of the design set out in Diagram A; and
- (ii) Contain any additional elements necessarily required by these Rules; and
- (iii) Be of similar appearance to Diagram A; and

(b) May include features in addition to those shown in Diagram A, if those features are not inconsistent with Diagram A, approval of equipment by the VCGLR or these Rules.

12.2.2 A virtual roulette wheel which must have 37 equally spaced compartments around its perimeter, one being marked with the numeral '0' and coloured green and the others marked with the numerals from '1' to '36', arranged and coloured red and black as shown in Diagram B will be used for the game.

12.2.3 A virtual ball will be used for the game.

12.3 Placement of Wagers

12.3.1 A wager in respect of a spin is placed by a person appropriating money standing to the credit of a player's chip account to a particular bet (as specified in Rule 12.5.1) in the manner shown in Diagram C prior to the end of the Wagering Period for that spin.

12.4 Dealing the Game

12.4.1 The virtual Dealer will spin the ball so that the ball will only come to rest after the wagering period expires; and

12.4.2 When, after the ball is spun, it comes to rest, the virtual Dealer will announce the number of the compartment.

12.4.3 When an outcome has been announced, the game system must—

- (a) Display the outcome of the spin on each open Player Terminal; and
- (b) In respect of the wager or wagers placed on a Player Terminal—
 - (i) If an amount has been won, automatically calculate and display the amount; and
 - (ii) Automatically calculate and display the balance of the player's chip account as a result of the outcome—

in accordance with these Rules.

12.5 Settlement

12.5.1 The bets which can be placed in respect of a spin and the odds payable for them will be in accordance with the Approved Rules for Roulette.

13 FULLY AUTOMATED BACCARAT

13.1 Where the Fully Automated Table Game in play is Fully Automated Baccarat, the approved Rules for Baccarat and the Rules for Fully Automated Table Games (including these additional Rules) will apply. If there is any inconsistency between the Rules for Baccarat and the Rules for Fully Automated Table Games (including these additional Rules), the Rules for Fully Automated Table Games and Fully Automated Baccarat will prevail.

13.2 Definitions

'Baccarat' means the point count of either the Player hand or the Banker hand is equal to zero.

'Baccarat Pairs' means a side wager which wins if the first two (2) cards dealt to the Player or the Banker (as nominated by the player) constitute a pair and loses on all other outcomes. Players may place a wager on Player Pair, Banker Pair or both.

'Baccarat Perfect Pairs' means a side wager which wins if the first two (2) cards dealt to the Player or the Banker are:

- (a) A Mixed pair which means two (2) cards that are exactly alike except for suit and colour, or
- (b) A Coloured Pair which means two (2) cards that are exactly alike (including colour) except for suit; or

19 FULLY AUTOMATED CASINO WAR

19.1 Where the Fully Automated Table Game in play is Fully Automated Casino War, the approved Rules for Casino War and the Rules for Fully Automated Table Games (including these additional Rules) will apply. If there is any inconsistency between the Rules of Casino War and the Rules for Fully Automated Table Games (including these additional Rules), the Rules for Fully Automated Table Games and Fully Automated Casino War will prevail.

19.2 Additional Definitions:

‘Ante’ means the original wager placed by a player prior to any cards being dealt for a Round of Play (equivalent to the ‘Casino War wager’ as defined in the Rules of Casino War).

19.3 Additional Equipment

19.3.1 An open Player Terminal

(a) Must:

- (i) Contain all the elements of the design set out in Diagram E;
- (ii) Contain any additional elements necessarily required by these Rules;
- (iii) Be of similar appearance to Diagram E; and
- (iv) Where a jackpot is offered, provide an area to allow players to place a jackpot wager.

(b) May-

- (i) Provide betting areas to allow players to place wagers on any of those betting areas described in the Rules of Casino War;
- (ii) Provide betting areas to allow players to place wagers on any additional wagers allowed for by these Rules; and
- (iii) Include features in addition to those shown in Diagram E, if those features are not

inconsistent with Diagram E, approval of equipment by the VCGLR or these Rules.

19.4 The Cards

19.4.1 Fully Automated Casino War will be played with virtual cards of four (4) to eight (8) decks. Each deck will have fifty-two (52) cards without jokers, with backs of the same colour and design.

19.4.2 The rank of the cards is exactly as described in the Rules of Casino War.

19.5 Dealing the Game

Subject to Rule 5.1, the Wagering Period determined by Crown will be not less than fifteen (15) seconds, unless otherwise approved by the VCGLR.

19.6 Initial Deal

19.6.1 The Dealer will:

- (a) Deal one (1) card in sequence to each betting area; and
- (b) Deal one (1) card to the Dealer's position.

19.7 Interim Settlement

19.7.1 Players who have a card of the same rank as the Dealer will be offered the option to either Surrender or Go to War:

- (a) If the player elects to Surrender; they will surrender half their Ante wager and all wagers will be settled accordingly;
- (b) If the player elects to Go to War; a wager equivalent to their original Ante wager will be placed automatically in their Go to War betting area.

19.7.2 Players will have time as determined by Crown to make a decision in accordance with Rule 19.7.1. If a player:

- (a) Refuses or fails to act; or

(b) Is not present;

and the time to make a decision has elapsed; the player will surrender half their Ante wager in accordance with Rule 19.7.1(a).

19.8 Subsequent Deal

19.8.1 Once the player has made their decision in accordance with Rule 19.7.1 (if applicable), the Dealer will:

(a) Deal one (1) community card, which each betting area will share as their Go to War additional card; and

(b) Deal one (1) card to the Dealer's position.

19.9 Settlement

All wagers will be settled simultaneously at the conclusion of each Round of Play.
