- 3.6.4. Where a Tournament (or Satellite) allows add-ons, all entrants in that particular Tournament (or Satellite) may purchase a n additional bank(s) of chips at the end of the re-buy period for the amount stipulated in the attachment.

Subject to the request being reasonable, the Tournament Director will call "time" and the entrant in question will have one minute to act. If action has not been taken by the time one minute has elapsed, there will be a 10-second countdown. If an entrant has not acted on their hand by the time the countdown has elapsed, the hand will be dead. All wagers made by that entrant will remain in the pot(s). The Tournament Director may also call "time" on an entrant, if deemed necessary.

Crown Melbourne

3.7.2. Tournaments (or Satellites) may be scheduled with a predetermined amount of time to act ranging from 5 seconds to 60 seconds and administered by the Dealer.

3.7.3. If the Tournament Director determines that an entrant is deliberately being slow to act on more than one occasion in the same Tournament (or Satellite), that entrant may be given a maximum of 10 seconds to act for all subsequent hands.

3.8. Betting Limits

3.8.1. The betting limits together with the timing of increases in blinds and/or antes will be determined by Crown and announced to all entrants prior to the commencement of the Tournament (or Satellite).

3.8.2. In Limit games, a single oversize chip will constitute a call if there is no announcement or indication of intent to raise.

3.8.3. In No Limit or Pot Ratio games, a single oversize chip without an announcement or indication of intent to raise will:

(a) In the first betting round constitute a call;

(b) In subsequent betting rounds if it is the first bet of that round it will constitute the size of the oversize chip bet or the maximum bet permitted within the betting limits. If it is not the first bet of the round it will constitute a call.

3.8.4. In all games; if an entrant makes a raise of 50% or more of the previous bet or raise without an announcement or indication of intent, they will be required to make the raise up to the minimum raise permitted. In all games, unless going 'all in', if an entrant makes a raise of less than 50% of the previous bet or raise, without an announcement or indication of intent it will be taken as a call.

Crown Melbourne

- 3.8.5. Where an entrant bets unannounced with two chips of the same denomination and one chip is more than 50% but less than the full amount to call, it is only a call. In this instance 3.8.4 does not apply.
- 3.8.6. In all games, if an entrant makes a bet of less than the amount required to call, they will be required to make up the difference or fold and surrender the initial bet, which then forms part of the pot.
- 3.8.7. In No Limit or Pot Ratio games, if an entrant states raise and bets with an oversize chip, the raise will be the maximum amount allowable up to the size of that chip.
- 3.8.8. In Limit games, there will be a limit of three raises, even when two entrants remain in a hand. Once the Tournament (or Satellite) is down to two entrants, there is no limit to the number of raises.
- 3.8.9. In No-Limit or Pot Ratio, when raising, an entrant must either bet the amount of the raise in one 'clean' motion or state the raise amount. By stating the word "raise", an entrant protects his/her right to raise, but the raise must still be completed as per the previous sentence guidelines.
- 3.8.10. Only in Pot Limit and Half Pot games may an entrant request the Dealer to inform them of the pot size.
- 3.8.11. Verbal declarations in turn are binding. Verbal declarations or action out of turn may also be binding:
- (a) If an entrant bets, raises or calls out of turn, the bet stands.
 - (b) If an entrant who should have acted prior to the out of turn entrant chooses to bet more than the out of turn bet, the entrant who acted out of turn can either make up the difference to call, or take back their bet and fold, or re-raise.
 - (c) An entrant who checks out of turn forfeits all rights to bet or

Crown Melbourne

raise.

- (d) This clause does not apply to entrants who are all-in out of turn for less than the amount required to call.

3.9. General

3.9.1. Dealers will deal 'hand for hand', when the number of entrants remaining exceeds, places paid by one and 'round for round', generally when the number of entrants remaining exceeds places paid by two.

3.9.2. All cards will be turned face-up once an entrant is all-in and all action is complete.

3.9.3. In the event of a split pot, where there is an odd chip, the odd chip will be broken down to the lowest denomination chip in play on the table at that time. The odd chip(s) will go to the high hand. If there are two or more high or low hands of the same value:

- (a) In flop games, the odd chip(s) will go to the left of the button.
- (b) In stud games, the odd chip(s) will go to the highest card by suit.
- (c) In hi/lo split games the pot will be split as evenly as possible.

3.9.4 A hand may be ruled retrievable by the Tournament Director.

3.9.4. When it is time to 'colour-up' chips (remove the smallest denomination chips on the table), the chips will be 'raced off' with a maximum of one chip going to any one entrant. The chip race always starts in the No 1 Seat. An entrant cannot be raced out of a Tournament (or Satellite). In the event that an entrant loses the 'race off' and has no chips remaining, they will be given one chip of the smallest denomination in play, so that they can continue to play.

Crown Melbourne

3.9.5. Subject to clause 3.9.7, an entrant who wants to use a mobile phone must step away from the table. Should an entrant step away from the table during a hand, that hand is dead.

- (a) Entrants who wish to use an iPhone (or similar device) at the table will be required to use that device in 'Airplane Mode', whereby the device is switched on, but is incapable of receiving or making calls or text messages.

3.9.6. Unless being re-seated in accordance with clause 4.3, an entrant must be seated at the table by the time the Dealer has completed the initial deal, or their hand is dead. Forced bets are still payable and if the entrant is not at the table and will be 'all-in', clause 3.9.2 is not applicable.

3.9.7. There will be no foreign chips allowed on the table except for a maximum of one card protector per entrant.

3.9.8. When new betting limits are announced, the limits apply from the next hand. A hand begins when the Dealer either:

- (a) Presses the button on the shuffling machine to exchange the cards; or
- (b) Commences the first riffle (where a shuffling machine is not available).

3.9.9. When only two entrants remain in a Tournament (or Satellite), the button will be on the small blind. The button will be adjusted so that no entrant will pay the big blind twice in succession.

3.9.10. In the event that Tournament play extends beyond 02:00 hours, the Tournament Director may elect to suspend the Tournament (or Satellite) and continue it the next gaming day or at a time to be agreed.

3.9.11. The Tournament Director may, for any particular Tournament, determine if there will be any repechage, catch-up or secondary

Crown Melbourne
