## TIME REIMAGINED

*With this exclusive collection, we re-imagine the notion of time. Each release captures a distinct facet of this ever-present life altering intangible.*

### 30 Year Old Suspended Time

Time is often believed to be an irrefutable force. But, in the hands of our Malt Master, Brian Kinsman, time stands still. Thirty years ago, he laid down the spirit to create an exemplary single malt. After three decades of patient maturation, the decisive moment arrived.

Deep, honeyed with notes of sherried fruit cake.

### 40 Year Old Cumulative Time

This rare single malt is made through remnant vatting, a pioneering process in which our Malt Master carries one batch over, time and again, and marries it with the casks selected for each subsequent release. Cask after cask, season after season, it absorbs the evolving flavours of the passing years. Chocolate, figs and deep dried fruit.
