GRADI CROWN NEGRONI SELECTION

The Negroni takes its name from a real life person. Count Camillo Negroni was a free wheeling nobleman who during a fateful visit to Florence's Caffè Rivoire around 1919, decided that the trendy Americano -- Campari, Sweet Vermouth & Soda Water -- wasn't enough, so he asked the bartender to swap the soda water for Gin and on that moment, the Negroni was created.

The Negroni.....	25
You can't beat a classic. Campari, gin and vermouth are gently stirred and strained over a large cube of ice and garnished with an orange twist.	

Montenegroni	26
A great twist on the classic. Using Amaro Montenegro, Four Pillars Rare Dry Gin and vermouth this variation represents everything that is Melbourne and Italian.	

Americano.....	25
The Ancestor of the Negroni. Campari, sweet vermouth and Soda Water are gently stirred and strained over a large cube of ice and garnished with a Lemon twist.	

Negroni Sbagliato.....	25
The Wrong Negroni. Campari, sweet vermouth and Prosecco are gently stirred and strained over a large cube of ice and garnished with a Lemon and Orange twist.	

Milano-Torino.....	25
The two Iconic products of two Italian cities. Campari, born in Milan and sweet vermouth born in Turin combine for a perfect aperitif cocktail, are gently stirred and strained over a large cube of ice and garnished with a Lemon and Orange twist.

“I only drink Champagne when I’m happy, and when I’m sad.
Sometimes I drink it when I’m alone. When I have company,
I consider it obligatory. I trifle with it if I am not
hungry and drink it when I am. Otherwise I never touch
it, unless I’m thirsty.”
