## Kaviari Story

**CRAFTING EXCELLENCE**  
**SINCE 1978**

The pairing of champagne and caviar has long symbolised refined celebration, dating back to 18th-century Europe when aristocrats first discovered the exquisite harmony between the briny richness of sturgeon roe and the crisp effervescence of fine champagne.

At the heart of this timeless indulgence is Kaviari, a Paris-based caviar house founded in 1978 by Jacques Nebot and Raphael Bouchez. Renowned for its artisanal approach and commitment to sustainability, Kaviari partners with responsible sturgeon farms worldwide to deliver exceptional caviar. Guests can savour Oscietra and Transmontanus varieties, served by the tin or as luxurious enhancements to curated à la carte and set menus.
