

# SIGNATURE SERVES BY GLENFIDDICH AND NOBU

## THE SPEYSIDE SPRITZ – NOBU EDITION

Glenfiddich 12, nashi pear sake, apple, sudachi yuzu blend, yuzu and lime soda

This light and refreshing cocktail honours the birthplace of the world's most awarded single malt scotch whisky, the Glenfiddich distillery, hand built by William Grant and his family in the heart Speyside back in 1887 – with a Japanese twist from Nobu.

## THE ROBBIE DHU MISUTO PUNCH

Glenfiddich 14, green tea and mint, yuzu, whey

This delicate and well-balanced clarified milk punch is an ode to the unwavering belief Glenfiddich was built on: that only the purest water, drawn from The Robbie Dhu, spring could produce a whisky worthy of greatness. That same spring still flows through every drop we craft today.

## WAREHOUSE 8 KEMURI SOUR
