Research has shown that people who set controls on their gaming are less likely to experience gambling harm which leads to a safer and more enjoyable experience. Visit www.crownmelbourne.com.au/crown-playsafe/tools for information about deposit limits to help you manage your play.							
OVERALL WIN/LOSS FOR THE 6 MONTHS PRIOR TO THIS STATEMENT PERIOD:				\$579.42			
This time last year	December 2024	January 2025	February 2025	March 2025	April 2025	May 2025	This Statement Period
<p>The bar chart displays three metrics over a six-month period from December 2024 to May 2025, plus the current statement period. The Y-axis ranges from -4000 to 20000. Grey bars represent Total bet value, black bars represent Total net win, and red bars represent Total net loss. Total bet values are consistently positive, ranging from approximately 4000 to 13000. Net wins are also positive, ranging from approximately 1000 to 3000. Net losses are negative, ranging from approximately -500 to -1500. The current statement period shows a significant increase in both bet value and net win compared to previous months.</p>							
■ Total bet value ■ Total net win ■ Total net loss							
You may cease your participation in Crown Rewards by visiting any Crown Rewards Desk or by emailing rewards@crownmelbourne.com.au							
	Crown PlaySafe		Stay informed of your expenditure by regularly reviewing your Player Activity Statement. Crown offers pre-commitment programs to help guests keep track of time and money by setting limits on play, as well as information and support on safer gambling. To learn more visit www.crownmelbourne.com.au/crown-play-safe or contact the Crown PlaySafe Team, available 24/7 via phone, email or in person. The Crown PlaySafe team is a diverse team with members who speak multiple languages, and translators can also be arranged.

This section helps you understand how much you played, how long you played, and the financial outcome from your play on EGMs and ETGs.

Your Crown Wallet (previously known as CardPlay) lets you transfer funds to and from your Wallet directly at electronic games, making it easy to move between games.

Your Statement includes a summary of your Crown Wallet activity for the month.

This section helps you track your EGM and ETG gaming activity over time by showing your total wins, losses, and bets placed across the past six months.

This visual summary allows you to identify patterns in your gaming behaviour and make informed decisions.

Provides a day-by-day break down of your ETG and EGM gaming activity during the statement period. Each row in the table represents a day you played games at the Casino, showing key details for the day.

WHAT EACH COLUMN IN THE DAILY SUMMARY MEANS:

DATE

The day you played on EGMs or ETGs.

NET WIN/LOSS

Your overall result for the day. This is calculated by subtracting your total losses from your total wins.

- A positive amount means you won more than you lost.
- A negative amount means you lost more than you won.

AMOUNT WON

The total value of all EGM and ETG sessions that ended with a win on that day.

AMOUNT LOST

The total value of all EGM and ETG sessions that ended with a loss on that day.

TOTAL BET VALUE

The combined total of all EGM and ETG spins (bets) on that day.

TIME SPENT PLAYING

The total amount of time you spent playing EGMs or ETGs on that day.
